The sun's about to set, its getting dark.
A cold wind sweeps across the empty land.
These used to be the time for telling stories,
But no one feels like telling stories now.
A thin goat cries for food, but no one hears.
A child stands up and pulls his mother's hand.
She looks at him, his eyes are filled with tears.
Two men are speaking quietly near the hut.
"I'm sure our ancestors are doing this,
The old man says. His friends agrees.
He nods and goes away.
The long, cold night begins.

The morning comes. The old man leaves his hut,
And walks along the path towards his farm.
He faces East and sees the cruel sun.
His eyes explore the sky. He shakes his head.
A dry wind blows and fills his eyes with dust.
He looked around and sees the brown, dead grass,
His shamba down the valley, dust and stones

Nearby, his only bull, a heap of bones.
 The old man sighs, and turns towards his home.
 The villages around are quiet and still.
 No cows are driven out to graze,
 There are no longer any cows to drive.
 No children fetching water from the stream.
 For now there is no water there to fetch.

The old man's friend is waiting near his hut.
 "My goat is gone. Your's is the last one left.!"
 He says. The old man's goat is being milked
 They watch and see how little milk it gives.
 They both stare at the ground and shake their heads.
 "Tomorrow is the final sacrifice,"
 The old man says. "Is everything prepared?"
 His friend says, "Yes. The women have been told.
 I hope our ancestors forgive us now."

It is morning once again, still dark and cold.
 The men stand in a line and face the east.
 Infront of them the women make a ring,
 Sitting around a pile of burning wood.
 One woman stands holding a proud white cock.
 Another takes it, lifts it in air,
 And cuts its throat. Its blood pour to the ground.
 The woman throws the dead cock in the fire,
 Then someone leads a song. The women stand and sing,
 Their faces turned up to the sky.
 The song ends quietly. And there beside the rising sun,
 They see a tiny cloud.

Katika mstari wa mbele ni uvumbuzi wa simu za mkononi. Simu hizi ambazo pia huitwa simu tamba au rununu zimerahisisha hali ya mawasiliano kabisa. Kwa kutumia simu hizi unaweza kuwasiliana na walio mbali kabisa bila kutumia nyaya. Unaweza pia kuwasiliana na aliye mbali kwa kutumia ujumbe mfupi kwa gharama ndogo sana. Rununu pia hutumika kama kamera na redio.

Aidha, kuna chombo cha tarakilishi. Tarakilishi hutumika ofisini na hata nyumbani. Chombo hiki hutumika katika kupiga chapa, kufanya hesabu na kuhifadhi maandishi. Maandishi haya huhifadhiwa katika disketi tepetevu.

Wavuti nao pia umerahisisha mawasiliano kupindukia. Kwa kutumia mtando wavuti, unaweza kuwasiliana na yeyote aliye popote duniani na wakati wowote. Kwa hivyo, sio watu wengi wanaoendelea kutumia masanduku ya posta.

Runinga nayo ni chombo kinachotoa sauti pamoja na kuonyesha picha zenyewe. Runinga hupendwa sana kwa sababu mawasiliano yake ni ya moja kwa moja na matangazo yake huwafikia watu wengi wakati mmoja. Runinga pia hutumika kuonyesha vipindi vindi vya kuelimisha na kuburudisha mno.

“Wuuui.....Wuuui.....Nafa.....mama wee.....!” Nilipiga unyende mkali ambao unaliwamsha wafu wote kutoka makaburi yao.

“Funga kidomo chako kabla hatujakukata kichwa!” jitu moja liliniamrisha huku likinigota kwa guu lake kubwa kama la ndovu.

Katika hali hiyo, nilisikia nyayo za watu zikikaribia nyumbani mwangu. Kufumba na kufumbua, umati wa watu uliingia nyumbani humo. Bila kupoteza muda, waliyavamia majitu hayo kwa silaha zao walizobeba zikwemo panga, shoka, fimbo na hata nyundo! Majirani hao waliyapiga majitu hayo bila huruma na hata wakaliua jitu moja. Manne yaliyobaki yalifungwa kwa kamba na kupelekwa marshimarshi hadi kwenye kituo cha polisi. Kwa kweli siku za mwizi ni.....
