Read the following passage and answer the questions that follow from 31-40

It was on Thursday afternoon. The children of Nyaga primary school were busy working on their field. The next day was sports day and they wanted the field to be ready. They were marking it out and four teachers were with them. Mrs Kiuru, the games mistress asked some children to fetch sticks.

"Shall we bring long or short ones?" asked Kama. "We need both kinds" said Mrs Kiuru, "but please bring more long sticks than short ones".

The children knew that sports day would be interesting. Even some students in std two and three had come back that afternoon to work with the others. They were collecting some grass which the other children had cut. They were talking and laughing as they worked. About five o'clock the field was ready. Mrs Kiuru called the children together and said, "Tomorrow is the important day we have been waiting for. Children from five other schools are coming to take part in sports.
