Kuku ni aina ya ndege ambaye hufugwa sana nyumbani. Kuku hutaga mayai ambayo huwa anatamia kwa muda wa siku ishirini na moja. Mayai hayo huanguliwa na kuku huanza kuwalea vifaranga.

Inaaminiwa kuwa kuku jike hasa huwa akipiga dua ili mwewe aweze kuwa na maisha mabaya kwa sababu ya kuwala vifaranga wake. Kinyume na matarajo ya kuku, mwewe huendelea kuwawinda vifaranga kila siku. Hii ndioyo sababu wahenga walimsea dua ya kuku haimpati mwewe.

Read the story then answer the questions

Many years ago, hyenas and human beings were great friends. One day man and hyena killed a buffalo. They were very happy because they knew they would not go hungry for many days. "We’ll roast the meat tomorrow." said the hyena. "That is alright, we need to bring a lot of water and firewood." The next day they met in the forest. They
made a big fire. They put the whole buffalo on the fire to roast without cutting off the head or legs.

The hyena kept on salivating. He was so greedy that he could not wait for the meat to be ready. He started eating the meat before it was well cooked. The man was hungry too so he ate as well. They ate until the man could not eat any more.

"Please let us stop eating now," he said to the hyena. "We've had enough. If we eat more we shall get ill." However the hyena refused to hear.

"When there's meat, I don't leave it for the jackals, I eat it all," hyena said. He went on eating and ate even the hard hoofs. He was so full that he could not move. Finally he fell down after eating the whole buffalo. He collapsed and died.
