Katana was a strong and brave man. One day, he heard that a lion from the jungle nearby had killed one of the men in the village. Katana decided to hunt for the lion and kill it.

Together with two other men, Katana started his journey to the jungle. They had not gone far into the jungle when they heard a roar behind them. Katana drew out his knife at once. He told his two helpers to move behind the trees.

One of the men shouted a warning, but it was too late. The lion had jumped on Katana! It snarled and tore at Katana with its sharp claws. Katana was not afraid. With all his strength, he pushed the lion off him. Then, he quickly stabbed at it with his knife. The lion fell to the ground, dead. Katana and the two men carried the lion to the village. All the villagers were very happy and thankful to Katana. They held a big feast in honour of Katana that night.
